INTRODUCTION

Welcome to the ETONE GOLF SOCIETY 2023. Whether you have received this information pack because you have shown an interest in Golf, joining a Golf Society, or because you liked the look of what Etone Golf Society has to offer, congratulations on making the first move to this wonderful game. I hope this pack is informative and provides you with a basic insight of the society, how it works, plays and its standards.

Formed in 2001, the Society is growing in stature every year and it accommodates every ability and level, from the novice to the expert. Its main aims and objectives include the following:

- * Provide and promote golfing opportunities for all in the local community
- * To provide a friendly and social environment in which to learn and play golf.
- * To experience a multitude of golf courses
- * Enjoy golf in a relaxed environment
- * Create socialising aspects outside of golf

There are host of other minor aims and objectives the Society provides that the individual may benefit from, such as new skills, friendship, teamwork and comradeship, fair play and healthy but friendly competition.

As well as the golf there are outside social events. Special events, competitions with prizes and plenty of fun are always on the agenda.

The Society meets every year from March to October, once a month. The dates for these meetings are dictated by the availability of courses. An up-to-date programme is enclosed within this pack that includes dates and prices as well as regular updates and information on the Society website. However, it is certain that meetings are held on Sundays and near the third week of each month. On occasions there may be additional Society events of which you will be notified via the monthly newsletter and/or website when the season is up and running.

The Society encourages constructive feedback, ideas, new initiatives, and new members. Please bring them forward to any Committee member.

I would like to take this opportunity in thanking you for showing an interest in Etone Golf Society and look forward to seeing you on the golf course.

Sohail Caratella
(Golf Society Co-ordinator & Chairperson)

C COMPETITIONS

1. Players are eligible for competition and prizes when fees (see section E) are paid in full.
2. All scorecards to be handed at the end of the round to a Society Committee member. Failure to do so may result in that player's scorecard being voided and that member being disqualified from the event.
3. All rules will be adhered to as laid down by **THE ROYAL AND ANCIENT GOLF CLUB OF ST ANDREWS**.
4. Fully paid members are only eligible for competition prizes.
5. Seven main competitions are run in the year:

1. Individual Stableford (Caratella Cup)

From a total of 8 events, 5 best, signed scorecards will be taken into consideration, whereupon the points system shown below will be applied.

Main Prize: The total of the best **5 Stableford** scores. 1st, 2nd and 3rd prizes

Based on Stableford Points:

1 st	-	15 points
2 nd	-	13 points
3 rd	-	11 points
4 th	-	9 points
5 th	-	7 points
6 th	-	5 points
7 th	-	4 points
8 th	-	3 points
9 th	-	2 points
10 th	-	1 point

In the event of a tie, the highest number of first places will determine the winner. If it is still a tie, then the highest number of highest finished places.

2. Knockout Matchplay

This event is played on **full difference** matchplay knockout with all matches to be played on society days. The matches will be drawn randomly by event organiser. The Society Co-ordinator or Committee must approve any matches that are played outside of the society days.

All players are automatically entered into the event. Players not wishing to enter must notify the Co-ordinator or Committee.

For outstanding matches that comply with Rule A14, matches may be played with mutual consent from both players and consent from the Chairman outside of society event days at a mutually agreed venue/course.

3. Alan Jenkins Par 3 & Par 5 Competition

The Par 3 and Par 5 competition will be determined by the best average (shots/Stableford points) Stableford score over all the par 3's and par 5's over the 8 (eight) Society rounds, with all eligible cards clearly signed by both marker and player.

4. Bevans Team Competition

This is a team competition determined by the Committee dependent on the number of members for that year. In a normal and ideal circumstance, a team will consist of minimum of 4 members where the total of the best three Stableford scores count and each of the main 8 Society events. The team with the highest total shall be the winning team. Team names will be drawn out randomly and the lowest handicapped players may be separated to captain the teams, dependant on the numbers of formed teams and members. Team names will be determined by the Committee.

5. Pairs Competition

This is a pairs competition determined by the Committee dependent on the number of members for that year. The best 5 combined Stableford scores from 8 events will go towards the final total. The team with the highest total shall be the winning team. Team names will be drawn out randomly by the Committee.

6. Phil McShane Most Improved Player Of The Year

This is the most improved player of the year determined by the difference between the starting and handicap and the finishing handicap from the year or an outstanding effort or achievement. Primarily the trophy winner is chosen by the donator of the trophy as to their opinion on the most improved player of the year. In the absence of the donator the Chairperson will decide.

7. T.U.B.A.

The Totally Useless Bastard Award will be determined by the Chairperson, either by overall performance or by a single act, and if required with the assistance of any of the Committee Members.

D HANDICAPS

- 1 Any new membership applications will not be approved until the following criteria have been met. A Membership holding fee is payable and will be returned if membership has been refused.
All new applications are presumed as guests until one of the following criteria have been met:

- 1.1 All player applications and guests are to provide a certified handicap certificate or card, where $\frac{3}{4}$ of the lowest card will be taken and applied, whether it is an approved Club or an alternative Society handicap.
- 1.2 In the absence of a certificate:
 - 1.2.1 New applications will play off their declared (unofficial) handicap for their first two events.
 - 1.2.2 A minimum stableford score of 20 points must be achieved at either one of these events for membership to be approved. If the minimum of 20 stableford points is not achieved, then membership will be denied.
 - 1.2.3 If an application has been denied no further applications maybe made during the same season.
 - 1.2.4 New applications will not be eligible to play in the match play competition.
 - 1.2.5 If membership is approved then all scores will qualify to be included in all other competitions.

2. The Chairman or Committee's decision will be final.
3. Society handicaps from previous year or last recognised handicap for any Society event will be applied to all future events.
4. All handicaps will be reviewed after each event by the Committee or Chairman. The new handicaps will be in force at the next event, or any preapproved society related competitions/matches.
5. Handicap Adjustments

According to standard scratch score: i.e. rather than getting cut if you accumulate more than 36 Stableford points or have a net below par score.

Example: 10 players playing

	SS	Cut	H	NH
Player 1	32	$0.4 \times 8 = 3.2$	28	24.8
Player 2	20	$0.4 \times 4 = 1.6$	28	28
Player 3	15		28	28
Player 4	20		28	28
Player 5	30	$0.4 \times 6 = 2.4$	28	25.6
Player 6	25	$0.4 \times 1 = 0.4$	28	27.6
Player 7	14		28	28
Player 8	16		28	28
Player 9	40	$0.4 \times 16 = 6.4$	28	21.6
Player 10	30	$0.4 \times 6 = 2.4$	28	25.6

Add all the scores together and divide by 10 (Standard Scratch Score). All members in this example are assumed at the handicap of 28.

$$242/10 = 24.2$$

All those above 24 Stableford points are cut according to handicapping rules. However, all those below get strokes added on maximum of 2 shots.

Up to 5	0.1 per point or shot
6-12	0.2 per point or shot
13-20	0.3 per point or shot
21-28	0.4 per point or shot

REFLECTION ON 2023

A fully committed and involved Committee every year sees consistency, enjoyment, and support for the Society members.

It is disappointing to see stalwart old members having to retire from the Society for various reasons. Hopefully they will still be in contact with society by either playing the odd game as a guest or supporting in other forms such as attending the presentation evening.

Many thanks to all the Committee of 2023 and all our members (19) for their contributions in every aspect. The weekend away again to Forest Pines was well received despite Stuart Davies having a little too much and oversleeping and thus being late for the Texas Scramble. A great turn out that was enjoyed by everyone. We are returning to The Players next year. Another one to look forward too.

The new look website (www.etonegolfsociety.co.uk) is coming along great and year by year we will try and improve it. I hope you have appreciated some of the changes and the improvements that have already been applied.

As usual the golf may not be great but the atmosphere and the spirit in which all the golf is played in is a credit to every member. A sure sign of success is the growing numbers of new members and the loyalty of those who have stuck with us for a long period. It was very disappointing to see the numbers of the AGM at all time low.

This year we supported just the one charity, namely Mary Ann Evans Hospice, receiving £125.00. As agreed at the AGM as funds are low in the Society only half of this will be donated to the charity and all future donations will be capped at £125. Thanks to everyone for embracing this our efforts of raising money for good causes.

Next year sees another year of free membership for new members to try and boost our numbers slightly. A big thank you to the Oliver brothers for sponsoring the wine, Phil McShane for sponsoring the new most improved trophy and Neil Bevan for sponsoring the team competition last year. We need to build the funds if we are going to have a spectacular 25th Anniversary. We have a packed 2024 and a weekend away, and another a midweek event in the summer. We played our match against THE COBBLERS and finally won this year. I am now looking forward to the 2024 golfing season, so suggest we get stuck in. I hope you enjoy and appreciate the forthcoming year, whatever is organised for you by the Committee.
