Harrowing at Rutland

The first event is over now and didn't it go quick? It was nice to play again without those darn restrictions. Shane provides a Harrowing experience for us all at Rutland with score of 32, five clear of second best. A lot of the damage was done on the back 9 where he came in with 20 points. A vast improvement on the front 9 of 12 points. The weird thing about the round was with only 12 points he had 2 pars. On the back 9 no pars and yet 20 points. Wow. That shows more consistency on the back 9 without having to play a dynamic round. Use your shot wells in the moral of the story. Even went one better by winning nearest the pin on the front 9.

Joint second with 27 points was Nick and John J. With Nick squeezing in on second place on the day on countback on back 9.

A great turn out for our first event and am looking forward to Oxley Golf Club now who have been pretty awkward in their booking procedure. The course better be worth all the hassle.

Back to Rutland Water though. The course was absolutely lovely

again. Greens were nice and consistent, but not as quick as last year. The main reason why we went there along with the great views and scenery. Some really great holes that looked inviting and challenging. The weather even held out for us again and it was also great to see our regular guests. Feel free to invite guests yourselves as it would be nice to see more new faces joining us and see what we are all about. Not just the shoddy golf.

The next event takes us to Oxley Golf Club. As usual please get your monies in asap for this one.

This newsletter will reach you about 4 days prior to me going on holiday and thus I urge you all now to let me know if you are going to Oxley as I arrive back only about 3 days prior. As mentioned at Rutland please get your monies and confirmation in if you haven't done so already as will be confirming numbers with the Club prior to me going on holiday. In essence.... DO IT NOW!

I look forward to seeing you all at the next event. Please stay safe and healthy.
